

CARING FOR OUR DEAD.

GRAVES OF CONFEDERATES DECORATED BY UNION SOLDIERS.

**Noble Work—A Touching Tribute From
Men Who Wore the Blue.**

The following letter which have

To all Camps and Comrades:
Your special and immediate attention is called to the fraternal and patriotic circular from Col. Wm. H. Knauss, of Columbus, O., in regard to the second annual decoration of the graves of the Confederate heroes who died in prison at Camp Chase, near Columbus, O., and answer from these headquarters, of date April 27, which are self-explanatory.

port of 1867, said: "The burial places of the unfortunate dead are entirely neglected and are overgrown with weeds and briars. Some care should be bestowed on these cemeteries, and removal at an early day, as otherwise they will become an entirely obnoxious and forgotten. The bitterest enmity should creep up at the edge of the grave, but the condition of these burial places would indicate that such is not always the case."

As explained by Col. Knauss, the allied States government bought of the city of Cleveland, through the help of the reverend Father, John H. H. Mahile, governor of Ohio, Gov. J. B. Foraker and Mr. Briggs, it was cleared up, the headstones and the graves marked with headstones, and a stone wall fence

and last year Col. Knauss, at his own expense, had 2,300 Confederate graves decorated, with the appropriate speeches and services, bettiding the occasion and proposes to do the same again on June 5 next.

To assist in this he asks contributions from such as feel able to give, and any balance left over will be expended in repairing the walls and grounds.

It is also to be hoped that this noble work will find a response from a sufficient number of our camps, so that Col. Knauss to decorate these Confederate graves upon northern soil credibly, on the 5th day of June, and leave a sum sufficient to repair the walls and put the grounds in perfect order.

He writes that seven southern families wrote to him last year, asking if

ates of death, number of the grave, company and regiment. He hopes there will be a response sufficient to fix up the place permanently.

Please place the matter before the camps and all comrades as soon as received, and also ask for outside contributions, as it is hoped and believed that the noble, non-partisan, patriotic and holy desire to care for the graves of "Our Dead," by our former heroes, purified through the crucible of war and carnage of battle into brave, magnanimous and noble "Great Americans," will meet with substantial and immediate response in the south.

As already stated, it is our sacred duty, and the dictates of honor require that we should do our greatest service to the memory and graves of those of our heroes whose arms are nerveless and whose families many of them, are

Contributions should be sent in immediately, as the money will be needed by or before June first, and can be used for the purchase of the new receipt. Receipts will be given, and report of the names and amounts will be made to the Nashville reunion, printed in newspapers and circulated amongst delegates; or contributions can be sent to Col. Wm. H. Knauss, 514 North High Street, Columbus, O. Camps near Columbus, O., will also place and receive on the 2d and 4th to Columbus, O., express charges prepaid. There is scarcely a doubt but that the generous express companies will carry reasonable quantities free.

By order of J. B. Gordon,
General Commanding,
George Moorman, Chief of Staff.
